The New Las Vegas Walk of Stars is proposing a Very Special Star in memory of 10/1/2017. The star will connect loved ones and friends of victims and heroes and will be a reminder of how strong and resilient Las Vegas was during one of its darkest moments.

Fifty-eight people were killed that night, two others later died from their injuries. Sadly, five years later, many victim's families and friends are still grieving and they believe that most people that visit Vegas for tourism, don't even realize what happened on that day.

The New Las Vegas Walk of Stars is proposing The Mandalay Bay dedicate a special star In Memory of 10/1/2017 and embed it on Las Vegas Boulevard. This very special star will contain a QR Code that will list the names of all the victims as well as all the heroes and it will be a way for family and friends to remain connected.

It's a way of letting the world and 45 millions tourists each year know that Las Vegas will always remember.

Cost for The Mandalay Bay

A goal of \$40,000 in tax free donation will cover the cost of this very special star.

The funds raised will be used for the manufacturing and installation of the star, building permits, surveys, maintenance and repair/or replacement.

The New Las Vegas Walk of Stars is a 501C3 Charitable Organization in good standing with the State of Nevada.
